Kingston upon Hull	254,117	250,934	137	356	369	318	237	235	537	317	677	117

Key Facts: Up to date information on the minority ethnic population is difficult to find. Currently the most comprehensive source is still the 1991 Census, which is almost 10 years out of date. At that time the largest minority ethnic community in the local authority were people from the Chinese community. However the size and composition of this population is likely to have changed considerably since then. This will become clearer as the 2001 census figures are released. See definitions for data sources and health warnings.
